We will prepare your federal and state returns for tax year 2021 based on information you provide. We will exercise the utmost care in utilizing the tax code available to prepare a true and accurate tax return based on the information you provide. Although our work will not include procedures to discover irregularities or inaccuracies in the tax data you provide, we may ask for clarification of certain information, or additional information.
It is your responsibility to provide all necessary information related to income and deductions for tax year 2021, and to respond to our inquiries in a timely manner so that we can accurately complete your returns by the appropriate due dates. You are responsible for maintaining appropriate records, such as official tax documents you receive, receipts, cancelled checks and any other substantiation for your deductions, and purchase and sales information for assets.
It is your responsibility to review your tax returns before they are filed to determine that all income has been correctly reported and that you have substantiation for your deductions. It is also your responsibility to return all signed and dated documents in a timely manner as to ensure your returns are submitted by the due dates.
If your returns are later selected for review or audit by taxing authorities, we will be glad to assist or represent you if you desire. Our fees for preparing your returns do not include time that might be necessary to assist you during a taxing authority review. Our fees for preparation of your returns are based upon our standard billing rates plus out-of-pocket expenses. Our invoices are due and payable upon presentation of the tax return. There will be an additional fee of \$25 for any returned checks.
If this letter accurately summarizes your understanding of our agreement relating to the preparation of your tax returns, please sign, date and return it to us. Thank you again for choosing our firm to prepare your 2021 tax return. We appreciate your business.
